TOWERS

THE
FUTURE
WILL BE
BUILT
AROUND
THIS.

An edifice that stands out as an architectural landmark.

A location that stands out for stunning city views.

With environmental sustainability, weaved into its design. Where the walls live to obey your command.

And floor after floor provides for a joyous lifestyle.

Welcome to your signature apartment at
VGN Kensington Towers, Guindy.

**ELEVATE
YOUR
LIFESTYLE
WHERE
INTELLIGENT

Immerse yourself in the ultimate living experience at VGN Kensington Towers where smart technology and luxury seamlessly merge. Our state-of-the-art residences offer you a lifestyle that's both sophisticated and convenient. With cutting-edge technology at your fingertips, you can effortlessly control your environment, ensuring every moment is tailored to your desires.

VGN Kensington Towers located opp. Hotel Hilton, is a short drive from Kathipara Junction, Guindy, and close to the Ekkattuthangal Metro Rail Station.

A part of the land out of 10.46 acres of prime land in the heart of Guindy is earmarked for VGN Kensington Towers, which are the exclusive Signature Towers offering 14 floors of bigger and luxurious 2 and 3 BHK homes. The project also includes a 40,000 sq. ft. centrally air-conditioned clubhouse with world-class amenities, and an exclusive block of 7 floors Multi-level car park. VGN Kensington Towers is the perfect place to balance work, life and lifestyle conceived for you. No wonder, it's Guindy's finest address.

GUINDY, ANOTHER NAME FOR CONNECTIVITY.

Guindy is not just a destination, but the epicentre for journeys. Strategically located close to the Airport, Guindy is well connected by Metro Rail and other modes of transport. The Kathipara Flyover is an iconic symbol of connectivity itself.

Luxury hotels including Hilton and ITC Grand Chola are part of the Guindy landscape. Not to mention, well known educational institutions and business establishments.

AN ARTISTIC ADDITION TO PICTURESQUE GUINDY.

VGN Kensington Towers has been designed by principal architect Kharche Associates and DPA of Singapore (Facade & Clubhouse Interiors).

The design includes a unique vertical shading feature that lets the facade stand out and be noticed. A parking annexe that tucks away vehicles discreetly, and a segmented design for the clubhouse, are among VGN Kensington Towers' other noteworthy features.

For those who live the luxurious life, our homes are perfectly sized. Ranging from 1338 to 3443 sq.ft., with lavishly laid out living and dining areas, and well-appointed bedrooms with walk-in wardrobes and more.

A BUILDING THAT BREATHES.

VGN Kensington Towers will be raised with sustainable environment-friendly materials and practices to minimise resource consumption and waste. It will showcase energy management initiatives like use of solar panels for common area lighting, sensor lighting, home automation assisted air conditioning, lights and fans, use of energy-efficient appliances as well passive design concepts for natural heating and cooling. Add to this, extensive landscaping and rainwater harvesting, and you have a home that believes in giving back to nature.

ROOMS THAT RECOGNISE YOU.

Every room responds to your call.

Say the word and turn on music, adjust lighting or room temperature, with your virtual assistant, and the newest home automation solutions. Your security too will be overseen 24x7 with AI-powered security systems.

Live the future.

**CLEAN AND
EFFICIENT,
TILL THE
LAST DROP.**

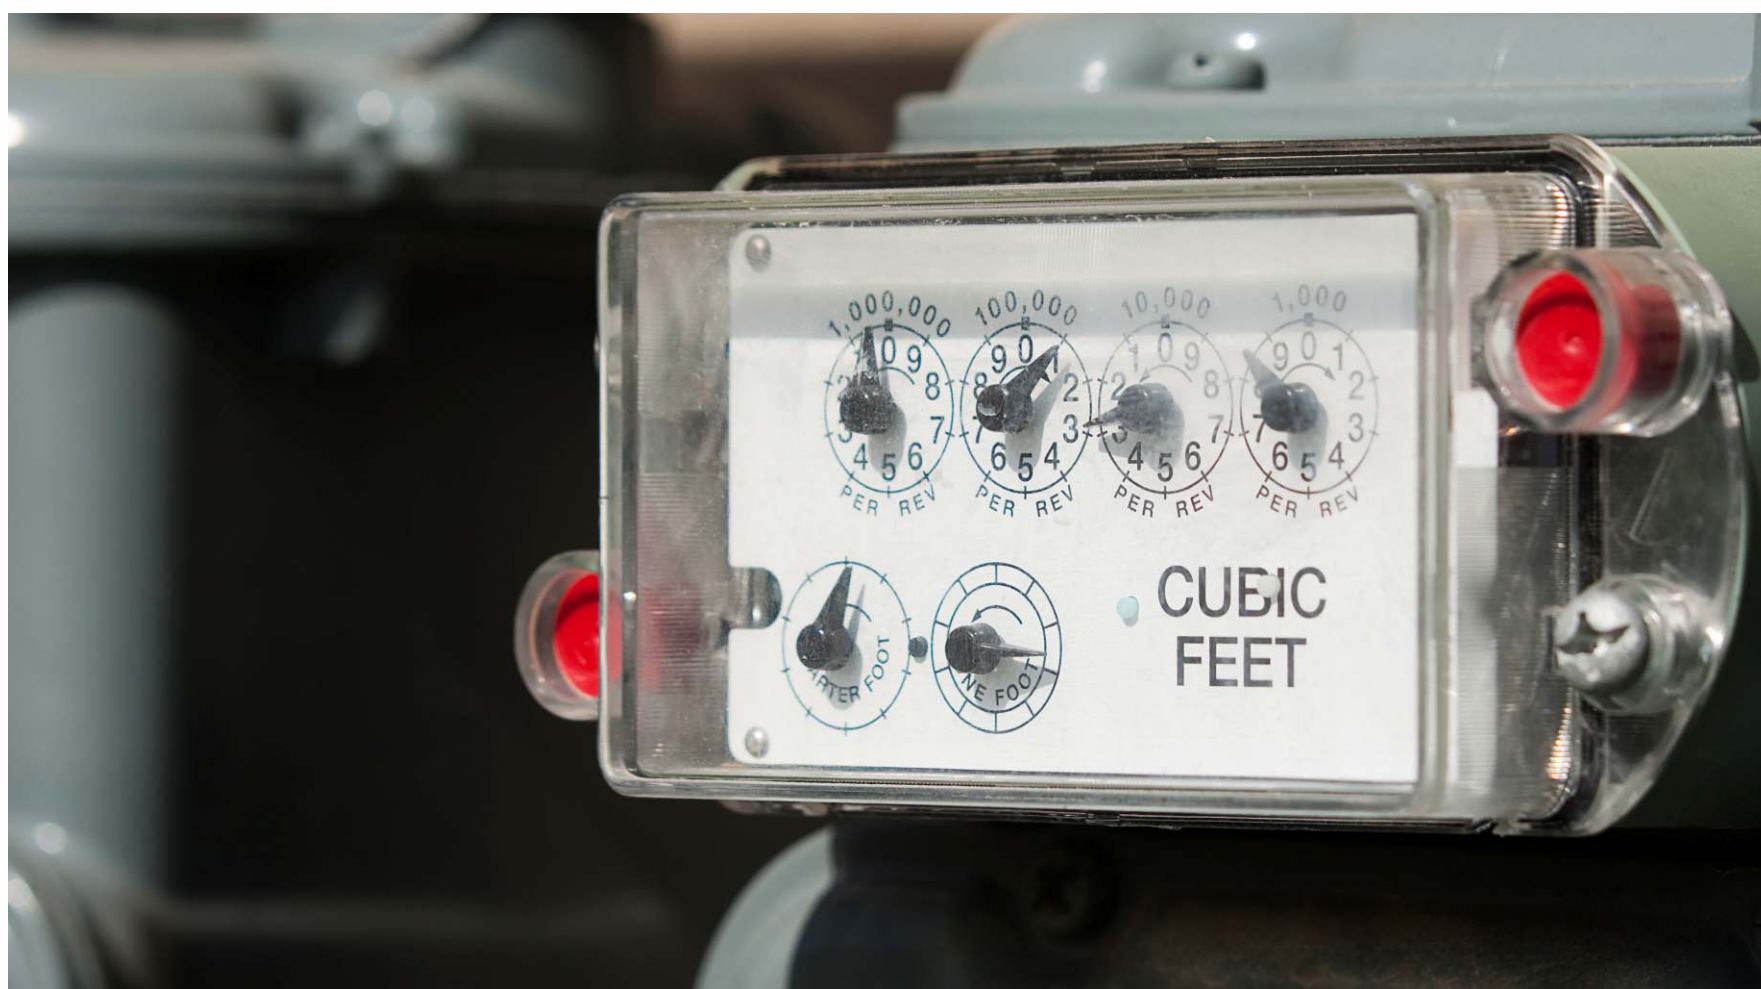

Any large residential community requires abundant and non-stop water supply. The state-of-the-art recycling water treatment plant at VGN Kensington Towers, not only ensures that the water you get is clean and available 24x7, but also ensures that the water doesn't hurt your conscience or the environment.

MULTI-LEVEL CAR PARK. CARS NEED LUXURY HOMES TOO.

The facade of the Multi-Level Car Parking (MLCP) is designed with the concept of "hiding in plain sight". In other words, the design aims to integrate the car park seamlessly into the overall master plan, ensuring that it does not dominate the visual landscape. To achieve this, the facade uses vertical members, to disguise the functional aspects of the MLCP. While serving the practical purpose of concealing the car park, these vertical members bring a sense of warmth and porosity. By doing so, the MLCP becomes an aesthetically pleasing element that adds to the overall architectural character of the Towers.

**EXPERIENCE
THE NEXT LEVEL
IN SAFETY
AND SECURITY.**

Right from the entry gate to within your home, your safety is taken care of with 3-Tier Security, with the newest in technology. That includes RFID Boom Barrier at the entrance, CCTV Camera coverage, Lobby Access Control from the apartment and Digital Video Door Phone at your front door. Other features like Piped Gas ensure you enjoy the safest environment at home.

A CLUBHOUSE SPREAD ACROSS 7 FLOORS.

Your clubhouse will be a piece of art. Divided into 'segments' and extended across several floors to keep you in that elevated mood. A host of leisure and entertainment options beckon.

AN AWESOME PLAY AREA, JUST FOR KIDS.

We have a secure and colourful kids playpen, where you can let them run riot. With ball pit, slides, jungle gym and plenty of other fun activities to keep them active and happy.

A POOL PARTY WITH THE STARS.

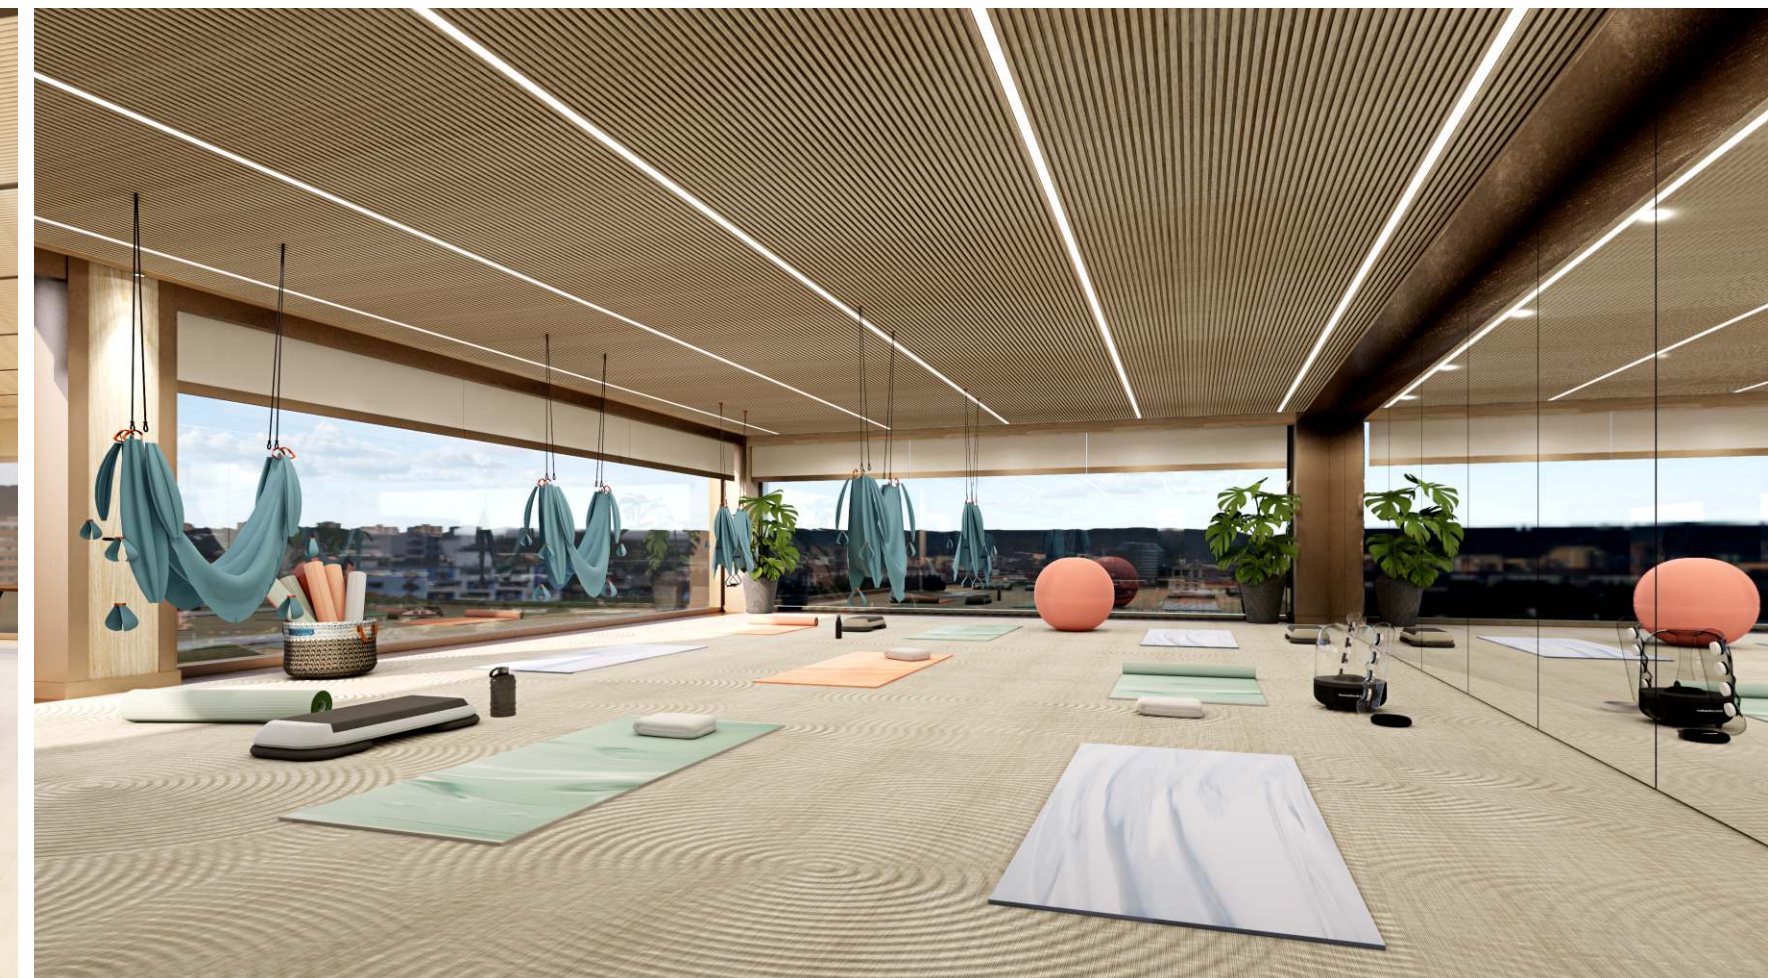

Watch the sun go down, as you take a refreshing dip in the infinity pool, right on your rooftop. Float beneath a starry sky and let the humdrum drift away.

ESCAPE TO A DEEP FOREST.

Take a walk amidst dangling tendrils and a green canopy that blots out the 'sun'. It's the deep forest lounge, the perfect setting to unwind. What's more! You can water your own plant here and nurture it too.

FABULOUS WAYS TO STAY FIT.

Whether you like pumping iron or hitting the treadmill, you'll find our air conditioned gym to be truly world class. It's part of your home, so you never miss a workout again.

Gymming's not your thing? Take up badminton instead. We have a spacious hall, where shuttlers can launch an Olympic career. Sweat out the calories with a game of table tennis or shoot pool, as a great way to de-stress. And if you are a seeker of the holistic, we have a sophisticated Yoga Studio to bring body and mind in perfect harmony. Best of all, you can do it all, with never a dull moment in your fitness journey.

WHERE THE CELEBRATION NEVER ENDS.

Throw a barbeque party for your birthday or entertain guests - head to the Barbeque Deck that's been created for the sole purpose of chilling out. This air-conditioned and well planned entertainment zone comes in two looks, skylit during the day and open to the stars at night.

There's more. In the form of a sprawling Banquet Hall, perfect for any occasion and a contemporary Roof Top Lounge. Add to this a cinema house of your own!

That's right, Private Theatres with awesome sound and projection systems to enjoy the magic of the movies, without leaving your home.

CONTEMPORARY AMENITIES, DESIGNED FOR THE FUTURE.

VGN MAJOR MILESTONES

THE VGN JOURNEY

When VGN was founded in 1942 as a brick manufacturing unit by Mr. Gurusamy Naidu, it was the start of an incredible legacy. He started a brick kiln factory, manufactured bricks in the name of VGN, and acquired large parcels of land to manufacture bricks at various locations in Chennai. He worked hard to build goodwill and earned a name as a reputed brick manufacturer in Chennai.

His grandson Mr. Pratish Vedhappudi, Managing Director, and the owner of VGN Group, who holds a Master's degree in Construction Engineering from Cambridge University, England, UK, entered the real estate business at a very young age in the year 2004. He wanted to implement his dream, by venturing into property development and construction of large residential projects in and around Chennai. Since 2008, he has been developing large residential townships in various parts of Chennai. He acquired many prime lands in the city, to cater to the evolving needs of home buyers, and provided customers with their dream homes. A few recent multi-storeyed landmark residential projects in Nungambakkam, Guindy, ECR and Ambattur are testimony to his achievements.

Under his leadership, VGN Group has completed over 250 residential projects and over 600 acres of plotted development, consisting of 20,000 residential plots, offering a highly lucrative investment opportunity to VGN's customers. VGN has also delivered around 10,500 premium & luxury homes under his dynamic leadership, and around 1,500 high-quality homes are in the pipeline.

VGN has been recognized and rewarded with hundreds of credible awards and accolades. The Company has also sponsored Chennai Super Kings in IPL (Indian Premier League) Cricket.

The journey is never over. With the mission to consistently and constantly improve and implement the latest technology in construction engineering, and to provide nothing short of the best for the customers, VGN's journey continues.
